

Chicago Bonded CFS and
Distribution Center
OOCL Logistics (USA) Inc.
New Lenox, Illinois

All the Right Moves

Adding Value and Flexibility

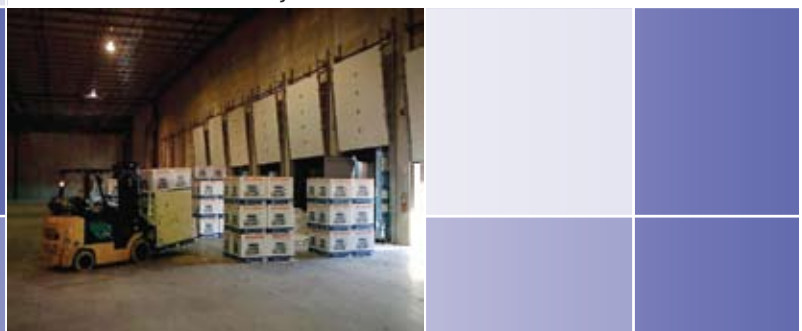

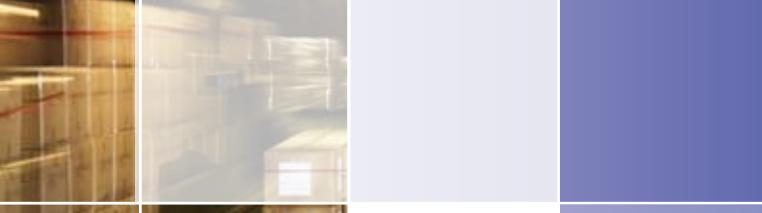

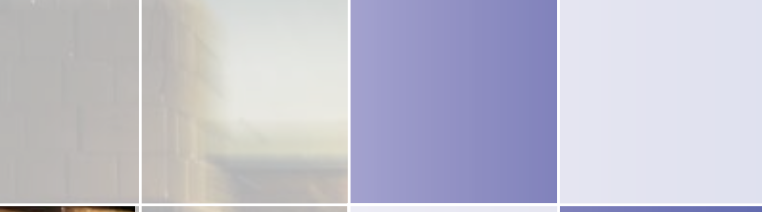

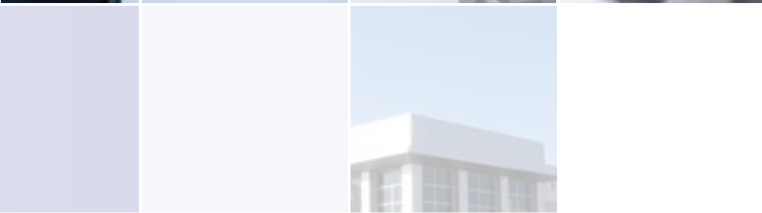

Located only 15 minutes from the BNSF Logistics Park, with immediate access to major north-south and east-west highways - including the I-55 and I-80, the New Lenox facility is ideally situated in the heart of the U.S. Midwest industrial region with direct access to many markets nationwide.

The New Lenox facility boasts a state-of-the-art security system that includes 24-hour interior and exterior web-based surveillance cameras, ESFR sprinkler system, fire-suppression systems, and metal-fenced yards.

Customer Benefits

- New, state-of-the-art secured facility puts your cargo in safe hands
- Proximity to BNSF Logistics Park for faster operations
- User-friendly support with InventoryPodium, OOCL Logistics' innovative inventory management system
- Reduced costs by minimizing long drayage to CFS stations for importers south and southwest of Chicago
- Reduced overall delivery costs with key location convenient to metropolitan Chicago, southern Illinois, Indiana and Iowa
- Short and long term storage solutions for importers requiring overflow warehousing
- Full suite of on-site additional warehouse services, saves time and cost over multiple vendors
- Flexible hours and late-day pickups eliminate costly time-to-market delays
