

Toronto Distribution Center Network Global Logistics

All the Right Moves

Adding Value and Flexibility

OOCL Logistics' Toronto facility is an ideally situated, secured facility monitored 24-hours a day, every day of the week. Located with excellent interstate highway, railroad, local or regional seaport and airport access, our warehouse and distribution facilities are all staffed with experienced and professional personnel.

Customer Benefits

- Centrally located near interstate highways, railroads and airports
- A state of the art secured facility that puts your cargo in safe hands
- In close proximity to major interstate highways/railroads and airports for fast distribution
- User-Friendly support with innovative inventory management system
