# OOCL Logistics is Expanding our Customs Brokerage Service in Australia

Thanks to OOCL Logistics Australia's continuing growth efforts, we have expanded our services to include in-house Customs Brokerage, which will commence in December 2021 for our Australian importers and exporters. With our dedication to being a-world-class service provider, we understand the significance of acquiring reliable, local customs staff, who have comprehensive knowledge regarding Australian customs requirements.

The OOCL Logistics Australia in-house customs brokerage service will reside in our regional Sydney office. The focal point for adding in-house customs brokerage service is to provide a complete supply chain solution, creating a smooth process through cargo clearance ensuring our customers meet all regulations, applicable rulings and other requirements mandated by law.

Our objective is to provide clients with expertise on customs regulations, shipping restrictions to navigate through daily challenges such as duty refunds, tariff classification and any other customs related issues. Every OOCL Logistics customs house team member has an extensive background in handling customs related procedures, providing a completely integrated supply chain solution for our customers.

OOCL Logistics Australia continues to drive a full range of integrated supply chain solutions to ensure our clients are at the forefront of supply chain innovation and performance.
