

Thailand Warehouse

Optimize Your Distribution Needs

LOCATION

The warehouse is strategically located nearby Lat Krabang Inland Container Depot (ICD) and 30km to Bangkok on the main Chonburi Highway – with convenient access to Suvarnabhumi Airport and Laem Chabang Seaport.

WAREHOUSING AND DISTRIBUTION

To serve your supply chain requirements, OOCL Logistics owns and partners with a network of best-in-class warehouses to handle multiple commodities, including raw materials, finished products and food product.

Apart from storage, we also provide a wide variety of services at warehouse:

- Cross-docking and Trans-loading
- Lot / Date Code Tracking
- Parcel Management
- Pick & Pack
- Pre-pricing, Re-labeling, Ticketing / Tagging
- Sorting / Sequencing
- Sub / Light Assembly
- Quality Inspection
- Salvage Disposal Reporting

Our award winning OOCL Logistics designed and implemented Warehouse Management System (WMS) accurately monitors and controls all warehouse processes, communicating with our customers and their supply chain partners on inventory levels and warehouse activities in real-time.

To meet your specific business needs and objectives, our professional and experienced teams work with you to implement:

- Warehouse sourcing and design
- Operation and process design
- Labor management and optimization
- Operation and management reports

OOCL Logistics will help you make “All the Right Moves” with best warehousing and distribution solutions tailored to your needs.
